

VINTERSAMLINGEN 2002 (Norwegian Husky Club Championship)

Femundtunet 21-24 february

Day 1: Trails had blown in, punchy and heavy surface. Middledistance cut down to 12km due to blown in trail. Some middledistanceracers and a lot of sprinters lost time on a part where the trail was a bit mismarked.

Day 2: 5-c, sun, harder trails. A bit blown in and punschy at parts of the middledistancetrail, but mostly ok
